D.C. Docket No. 3:10-cr-00171-HES-TEM-1

UNITED STATES OF AMERICA,

Plaintiff-Appellee,

versus

WILLIAM TYLER,

Defendant-Appellant.

---

Appeal from the United States District Court  
for the Middle District of Florida

---

(September 20, 2012)

Before CARNES, JORDAN and ANDERSON, Circuit Judges.

PER CURIAM:

Stephen A. Mosca, appointed counsel for William Tyler in this direct criminal appeal, has moved to withdraw from further representation of the appellant and filed a brief pursuant to *Anders v. California*, 386 U.S. 738, 87 S.Ct.

1396, 18 L.Ed.2d 493 (1967). Our independent review of the entire record reveals that counsel's assessment of the relative merit of the appeal is correct. Because independent examination of the entire record reveals no arguable issues of merit, counsel's motion to withdraw is **GRANTED**, and the revocation of Tyler's supervised release, and his 24-month sentence of imprisonment, are **AFFIRMED**.
