UNITED STATES OF AMERICA,

Plaintiff-Appellee,

*versus*

TARA LYNN ROBINSON,

Defendant-Appellant.

---

Appeal from the United States District Court  
for the Southern District of Alabama  
D.C. Docket No. 1:19-cr-00193-KD-B-11

---

Before WILSON, JORDAN, and LAGOA, Circuit Judges.

PER CURIAM:

Arthur Madden, appointed counsel for Tara Lynn Robinson in this appeal following the district court's revocation of supervised release, has moved to withdraw from further representation of the appellant and filed a brief pursuant to *Anders v. California*, 386 U.S. 738 (1967). Our independent review of the entire record reveals that counsel's assessment of the relative merit of the appeal is correct. Because independent examination of the entire record reveals no arguable issues of merit, counsel's motion to withdraw is **GRANTED**, and the revocation of Robinson's supervised release and her new revocation sentence are **AFFIRMED**.
