Before ANDERSON and COX, Circuit Judges, and RONEY, Senior Circuit Judge.

ORDER:

New revised opinions in the above case having been filed by the Court, the Petition for Rehearing addressing the original panel opinion has effectively been granted, and the grounds for the Suggestion for Rehearing En Banc have effectively been mooted. Inasmuch as the petitioner failed to prevail as to an affirmance of the district court judgment, the parties are, of course, free to file petitions for rehearing and suggestions for rehearing en banc addressing this decision of the Court, if they be so advised, subject to the applicable time constraints and the rules of procedure.
