Appeal from the United States District Court
for the Southern District of Florida

(February 11, 2021)

Before WILSON, LAGOA, and BRASHER, Circuit Judges.

PER CURIAM:

Plaintiff Aixa Perez-Lang appeals the district court's denial of her Rule 60(b)(6) motion for reinstatement of a personal injury action that the district court dismissed for forum non conveniens in 2008. We have subject matter jurisdiction over this appeal.

The parties are familiar with the facts and procedural history of this case. After reviewing the briefs and with the benefit of oral argument, we affirm the district court because it did not abuse its discretion in its well-reasoned order dated June 26, 2019.

AFFIRMED.
