No. 21-12298

Non-Argument Calendar

UNITED STATES OF AMERICA,

Plaintiff-Appellee,

versus

SYLVESTER GILLON,

Defendant-Appellant.

Appeal from the United States District Court
for the Middle District of Florida

D.C. Docket No. 3:09-cr-00133-MMH-MCR-1

Before WILLIAM PRYOR, Chief Judge, ROSENBAUM and GRANT, Circuit Judges.

PER CURIAM:

Adam Labonte, appointed counsel for Sylvester Gillon in his appeal from the denial of his motion for a reduction in his sentence under the First Step Act, has moved to withdraw from further representation of the appellant and filed a brief pursuant to *Anders v. California*, 386 U.S. 738 (1967). Our independent review of the entire record reveals that counsel's assessment of the relative merit of the appeal is correct. Because independent examination of the entire record reveals no arguable issues of merit, counsel's motion to withdraw is **GRANTED**, and the denial of Gillon's motion to reduce sentence is **AFFIRMED**.
