Appeal from the United States District Court  
for the Middle District of Florida  
D.C. Docket No. 2:22-cv-00498-JES,  
Bkcy No. 2:21-bk-00123-FMD

---

Before BRANCH, LUCK, and LAGOA, Circuit Judges.

PER CURIAM:

Gregory Myers, proceeding *pro se*, appeals from the district court's September 5, 2023, order affirming the bankruptcy court's denial of his motion to avoid a judicial lien and the October 3, 2023, order denying his motion for reconsideration. On May 17, 2024, we held this appeal in abeyance pending the resolution of appeal number 23-13081, in which Myers appealed a district court order dismissing his appeal of the bankruptcy court's dismissal of the Chapter 13 bankruptcy case. A panel of this Court resolved 23-13081 on December 31, 2024, affirming the district court's judgment.

We lack jurisdiction over this appeal because the dismissal of Myers's underlying Chapter 13 case and the subsequent affirmation of that dismissal renders this appeal moot. *See Neidich v. Salas*, 783 F.3d 1215, 1216 (11th Cir. 2015). Myers filed and litigated his motion to avoid the judicial lien in the now-concluded Chapter

23-13409

Opinion of the Court

3

13 case, so we cannot provide meaningful relief from the denial of that motion. Accordingly, we DISMISS this appeal for lack of jurisdiction.
