MARATHON STAFFING, et al.,

Defendants-Appellees.

Appeal from the United States District Court for
the Northern District of Alabama
D.C. Docket No. 2:22-cv-01017-ACA

Before WILSON, BRASHER, and ABUDU, Circuit Judges.

PER CURIAM:

LaSonia Haley, *pro se*, appeals the district court's final order dismissing the case for failure to prosecute. The statutory time limit required Haley to file a notice of appeal by May 1, 2023, which was the first business day following 30 days after the district court's judgment was deemed entered on March 30, 2023. *See* 28 U.S.C. § 2107(a); Fed. R. App. P. 4(a)(1)(A), 4(7)(A), 26(a)(1)(C); Fed. R. Civ. P. 58(a). However, she did not file her notice of appeal until April 23, 2024.

Additionally, there is no basis in the record for relief under Federal Rules of Appellate Procedure 4(a)(5) or 4(a)(6). Thus, the notice of appeal is untimely and cannot invoke our appellate jurisdiction. *See Green v. Drug Enf't Admin.*, 606 F.3d 1296, 1300 (11th Cir. 2010) (noting that the timely filing of a notice of appeal in a civil case is a jurisdictional requirement, and we cannot entertain an appeal that is out of time).

Accordingly, this appeal is DISMISSED, *sua sponte*, for lack of jurisdiction. No petition for rehearing may be filed unless it complies with the timing and other requirements of 11th Cir. R. 40-3 and all other applicable rules.
