Appeal from the United States District Court  
for the Southern District of Florida  
D.C. Docket No. 9:19-cv-81179-RAR

---

Before JORDAN, LUCK, and ABUDU, Circuit Judges.

PER CURIAM:

This appeal is DISMISSED, *sua sponte*, for lack of jurisdiction. Laura Loomer, proceeding *pro se*, appeals from various post-judgment orders issued by a magistrate judge as well as from “all other orders adverse” to her. We lack jurisdiction over this appeal because “[d]ecisions by a magistrate [judge] pursuant to 28 U.S.C. § 636(b) are not final orders and may not be appealed until rendered final by a district court.” *Donovan v. Sarasota Concrete Co.*, 693 F.2d 1061, 1066-67 (11th Cir. 1982); 28 U.S.C. § 636. Additionally, we lack jurisdiction to review any adverse order that was issued by the district judge because Loomer’s notice of appeal is untimely to appeal from the last such ruling, which was the final judgment entered on February 13, 2023. *See Green v. Drug Enf’t Admin.*,
