Appeal from the United States District Court
for the Southern District of Florida
D.C. Docket No. 1:19-cv-22629-FAM

Before NEWSOM, GRANT, and LUCK, Circuit Judges.

PER CURIAM:

Diego Trinidad, proceeding *pro se*, appeals from the district court's November 5, 2024, entry of judgment in favor of the defendants. Trinidad initially filed a notice of appeal challenging the November 5 judgment, which initiated appeal number 24-13855. That appeal was dismissed for want of prosecution.

On January 6, 2025, one day before his initial appeal was dismissed, Trinidad filed in this Court a document that was transferred to the district court as a construed separate notice of appeal, which initiated this appeal. The defendants move to dismiss this appeal for lack of jurisdiction because the operative notice of appeal

Opinion of the Court

3

for this appeal is untimely and because this appeal is duplicative of appeal number 24-13855.

We lack jurisdiction over this appeal because Trinidad's operative construed notice of appeal is untimely. *See Green v. Drug Enf't Admin.*, 606 F.3d 1296, 1300 (11th Cir. 2010). Trinidad had until December 5, 2024, to file a notice of appeal from the November 5 judgment, but he did not file his operative notice until January 6, 2025. *See* 28 U.S.C. § 2107(a); Fed. R. App. P. 4(a)(1)(A).

Accordingly, we GRANT the motion to dismiss and DISMISS this appeal for lack of jurisdiction.
