For the Eleventh Circuit

No. 25-13089
Non-Argument Calendar

UNITED STATES OF AMERICA,

Plaintiff-Appellee,

versus

PHILIP HENRY HOUK,

Defendant-Appellant.

Appeal from the United States District Court
for the Northern District of Alabama
D.C. Docket No. 2:24-cr-00281-MHH-NAD-1

Before JILL PRYOR, GRANT, and LUCK, Circuit Judges.

PER CURIAM:

Philip Houk filed a pro se notice of appeal challenging the magistrate judge's July 15, 2025 order that found him incompetent

to stand trial and ordered him committed for competency restoration treatment and examination. Following his notice of appeal and both parties' responses to the jurisdictional questions, Houk filed a pro se motion for review of the July 15 order that asked the district court to vacate that order. That motion is pending. Because Houk has moved for the district court to vacate the magistrate judge's order, we lack jurisdiction to review that order for lack of finality. *See* 28 U.S.C. § 1291.

Accordingly, this appeal is DISMISSED for lack of jurisdiction.
