ROLANDA JOHNSON-SHORTER,

Plaintiff-Appellant,

versus

SMITH TRANSPORT LLC,

f.k.a. Smith Transport Inc.,

GERALD TICKLE,

Defendants-Appellees.

Appeal from the United States District Court
for the Northern District of Georgia
D.C. Docket No. 1:24-cv-04398-SEG

Before JILL PRYOR, LUCK, and BRASHER, Circuit Judges.

PER CURIAM:

This appeal is DISMISSED, sua sponte, for lack of jurisdiction. Rolanda Johnson-Shorter appeals from the district court's order granting the defendants' motion to dismiss. However, on August 31, 2026, the district court vacated the dismissal order for lack of subject matter jurisdiction and remanded the case to state court. Thus, this appeal is now moot, as it no longer presents a live case or controversy. *Zinni v. ER Solutions*, 692 F.3d 1162, 1166 (11th Cir. 2012) (explaining that a federal court has no authority to give opinions upon moot questions or abstract propositions, or to declare principles or rules of law which cannot affect the matter in issue in the case before it); *Friends of Everglades v. S. Fla. Water Mgmt. Dist.*, 570 F.3d 1210, 1216 (11th Cir. 2009) ("An issue is moot when it no longer presents a live controversy with respect to which the court can give meaningful relief." (quotation marks omitted)); *Mobley v. Palm Beach Cty. Sheriff Dep't*, 783 F.3d 1347, 1352 (11th Cir. 2015) (explaining that we must dismiss moot appeals for lack of jurisdiction). Accordingly, we lack jurisdiction over the appeal.
