Appeal from the United States District Court  
for the Northern District of Florida  
D.C. Docket No. 7:20-cv-24931-MCR-GRJ

---

Before GRANT, LAGOA, and ABUDU, Circuit Judges.

PER CURIAM:

This appeal is DISMISSED, sua sponte, for lack of jurisdiction. David Link, pro se, appeals the district court's September 10, 2024 order dismissing his action, for which judgment is deemed entered on February 7, 2025. *See* Fed. R. App. P. 4(a)(7)(A)(ii); Fed. R. Civ. P. 58(a). The 30-day statutory deadline required Link to file a notice of appeal on or before March 10, 2025. *See* 28 U.S.C. § 2107(a); Fed. R. App. P. 4(a)(1)(A); *id.* R. 26(a)(1)(C). However, Link's notice is deemed as filed on March 13, 2026, the date on which it was received by the United States Court of Appeals for the Federal Circuit. *See* Fed. R. App. P. 4(d) (providing that when a notice of appeal is mistakenly filed in an appellate court, the notice is deemed filed on the date the appellate court received it). Accordingly, the notice of appeal is untimely and cannot invoke our appellate jurisdiction. *See Green v. Drug Enf't Admin.*, 606 F.3d 1296, 1300 (11th Cir. 2010).
