Non-Argument Calendar

UNITED STATES OF AMERICA,

Plaintiff-Appellee,

versus

BERMUN DEAMON MCGHEE,

Defendant-Appellant.

Appeal from the United States District Court
for the Northern District of Alabama
D.C. Docket No. 2:24-cr-00084-MHH-JHE-1

Before JILL PRYOR, GRANT, and LAGOA, Circuit Judges.

PER CURIAM:

Bermun De'Amon McGhee, proceeding pro se, appeals from orders denying his motions for pretrial release.

We lack jurisdiction over this appeal because it is moot. Although the district court's orders refusing to revoke McGhee's detention order and denying pretrial release were immediately appealable orders, McGhee has since been convicted, so we cannot provide meaningful relief from those orders. See Fed. R. App. P. 9(a); 18 U.S.C. § 3145(c); *Murphy v. Hunt*, 455 U.S. 478, 481-82 & n.5 (1982) (determining that the defendant's claims regarding his pretrial bail became moot once he was convicted); *Christian Coal. of Fla., Inc. v. United States*, 662 F.3d 1182, 1189 (11th Cir. 2011) (providing that an appeal is moot and should be dismissed when it does not present a case or controversy as to which this Court can give meaningful relief).

Accordingly, this appeal is DISMISSED, sua sponte, for lack of jurisdiction.
